Profile

I am someone who is experienced in teamwork and leadership activities having completed many work experience related jobs requiring this and further having achieved a role of Lcpl in the Combined Cadet Force. Smart enough to be able to attend the top state school in the country but also friendly, approachable and hard working.

Employment History

Lab Technician, London Dental Hospital

AUGUST 2021 – SEPTEMBER 2021

I helped to sort and clean the science labs in a meticulous manor to maintain a clean and organized working environment to enhance productivity and ensure a clean, sterile and welcoming environment. Learnt organisation skills and able to deal with interactions helping students with their demands for tools and other inquiries. Worked well independently and on a team to solve problems and served as a friendly, hardworking, and punctual employee.

Cyber Security, Nuclear Decommissioning Authority

JULY 2021

I was able to learn about Cyber security and how to tackle its many problems. **Fluent in Python** and can use many Linux distributions such as Kali Linux, Ubuntu and Raspberry Pi.

Education

GCSEs, Wilson's School

SEPTEMBER 2015 – PRESENT

Obtained **all A*s** with one B in my GCSEs. Especially succeeding in Maths, Sciences and Business Studies. Being hard working and diligent ensured me to work at this school, which is known to be consistently been placed among the UK's very highest performing schools at both A level and GCSE for nearly twenty years. I have gone on to start studying A-Level in 2021 studying Maths, Chemistry, Biology, Economics and Philosophy

Extra-curricular activities

Lance Corporal, Combined Cadet Force

SEPTEMBER 2018 – PRESENT

I have so far achieved a rank of **Lance Corporal** in a Combined Cadet Force and so have had a taste of Army Training, **critical thinking, teamwork and much much more**. Have had experience leading a team and carrying out many successful section and platoon attacks.
