

IBRAHEEM SHARIFF

Information Technology

As a Further Maths A-level student from the top state school in the country (2024), I have demonstrated my work ethic and leadership skills through achieving the highest rank possible in the Cadet Force and winning computing competitions (Such as HTB). Thus, I have acquired strong teamwork and interpersonal skills and am ready to make an impact in the world of Software Development.

Education

● Wilson's School

2015 - Present

Obtained all A*s in my GCSEs. I have gone on to study A-Levels in Computing, Further Maths, Maths and Economics

Skills

Leadership

Problem Solving

Communication

Teamwork

Meeting deadlines

Critical thinking

Experience

● Cyber Security

Nuclear Decommissioning Authority Jul, 2021 - Aug, 2021

I was able to learn about Cyber security and how to tackle many problems the government faces. Demonstrated my fluency in Python and can use many Linux distributions such as Kali Linux, Ubuntu and Raspberry Pi.

● Lab Technician

London Dental Hospital Aug, 2021 - Sep, 2021

Learnt organisation skills and able to deal with interactions helping students with their demands for tools and other inquiries. Worked well independently and on a team to solve problems and served as a friendly, hardworking, and punctual employee.

● CCF

Wilson's School Jan 2017 - Dec 2029

Achieved the rank of Regimental Quartermaster Sergeant in the Combined Cadet force, representing the force at City Hall on Armistice Day. Also won the CSAAM Shooting Competition for London District. My role entails me managing over 200 cadets and thus forced discipline and leadership skills, whilst elevating teamworking ability.

● Computer Science Club

Wilson's School Sep 2022 - Present

Help run a Computing Club, teaching a basic in programming and interesting mathematical and computing concepts like the golden ratio and Taylor Series. This allowed me to break down problems into smaller, simpler solutions.

● Outreach

Stanley Park Primary School Oct 2022 - Mar 2022

Volunteered at a local primary school to help those with underprivileged livelihoods to try to having a better outlook. This entailed helping them with Maths and English and enforced patience and understanding when working with others.
